SUBJECT: Farmer Program Loan Status Report

TO: All State Directors, FmHA

The frequency of the Farmer Program Loan Status report is being decreased as application and processing have declined sharply in recent weeks. Please notify county offices of reporting period changes as indicated below. Except for timing, the report items are unchanged.

During the remainder of June, a report for the week ending June 16, 1982, will be due in the National Office on June 18, 1982 and report for the period June 17-30, 1982, will be due on July 2, 1982. Beginning July 1, 1982, the information requested below is to be provided on a monthly basis. Data will be reported for activities occurring each month through close of business (COB) the last business day of the month. Items 1 through 5 are to be reported by the indicated loan program. Do not report for EE in items 1 through 5 unless you receive official notification that this program has been authorized.

The data should be consolidated for each State, reviewed by the Farmer Program Chief for accuracy and completeness, and transmitted via electronic mail to the Management Information Systems Development Division (NO-MISDD) no later than COB five work days after the end of the report month. Provide the data by item number as in the list below.
